Dear Claire,

Neighbourhood Planning – Plan Area – Balcombe

Please find enclosed a map indicating the area proposed by Balcombe Parish Council for its coverage for the Balcombe Neighbourhood Plan. The area encloses the Parish and is based on the existing parish boundaries.

This is the appropriate area for consideration by a Parish under the legislation set out by the Localism Bill 2012.

Balcombe Parish Council are and appropriate body for the purposes of section 61G of the Town and Country Planning Act.

The area was set out at the Parish Council training session held after the general Parish Council meeting on the 16th April and put on display to the Parish at two Neighbourhood Planning Information Exhibitions held on 21st and 25th of April 2012.

Yours sincerely,

Alison Stevenson
Chairman Balcombe Parish Council.
