

Charges for Property Searches 2023/24

In accordance with Regulation 9(1) of the Local Authorities (England) (Charges for Property Searches) Regulations 2008 the following statement is published.

Estimated costs for 2023/24 are £170,775.

Estimated number of searches in respect of Local Authority access for responding to CON29 enquiries is 3,500.

These estimates are based on figures for the previous year and the current state of the economic climate. These figures have also been used for budget purposes within the authority.

Unit charge for Local Authority compiled responses is £106.80. Included in this figure is the West Sussex County Council fee of £31.20 for the supply of highway information.

Please note: These charges may be subject to change mid-year according to changing market conditions and working practices
