Council Tax Explanatory Notes

Council Tax Valuation Bands

Your property is placed in one of eight bands to enable the Council to calculate your Council Tax bill.

These bands are based on property values on 1st April 1991. All properties are assigned a valuation as at that date, even if they were built recently. The valuation is determined by the Valuation Office Agency, which is part of HM Revenues & Customs.

Details of property bands are available on the Valuation Office Agency website at www.voa.gov.uk

If you wish to enquire about the Council Tax band given to your property, please contact the Valuation Office Agency at www.gov.uk/contact-voa

Valuation Values	Range of Band
A	Up to £40,000
B	£40,001 to £52,000
C	£52,001 to £68,000
D	£68,001 to £88,000
E	£88,001 to £120,000
F	£120,001 to £160,000
G	£160,001 to £320,000
H	£320,001 and above

Council Tax Appeals

If you think that we have made an incorrect decision about your liability, a discount or exemption, including the assessment of any Council Tax Support award, you can appeal it.

An appeal about Council Tax must be made in writing to the Councils' address on the front of your bill.

Please note that if you submit an appeal you **must continue to pay** the instalments shown on your Council Tax bill until a final decision is made. If you make an appeal to us about Council Tax and you are not satisfied with the outcome, we will advise you on how to make a further appeal to an independent tribunal.

Liability to pay Council Tax

Liability to pay Council Tax normally falls to one or more adults who are solely or mainly resident in a property and not disregarded (see Council Tax Discounts section below). If multiple residents are present, the liability is determined based on the following hierarchy:

- resident freeholder (so for owner-occupied property the owner will be liable)

- resident leaseholder
- resident statutory/secure tenant
- resident licensee
- resident.

And

- Joint liability

Husbands and wives, unmarried couples or civil partners living together are both responsible for paying the bill. People who are joint owners or joint tenants are jointly liable.

Or

- Owner liability.

Where there are no residents in the property then the owner is liable. The owner is also liable, instead of the residents, for certain prescribed classes of dwellings as follows:

Class A - residential care homes, nursing homes and some hostels

Class B – properties occupied by religious communities (such as monasteries and convents)

Class C - properties occupied by more than one household where the residents share certain facilities such as a kitchen or bathroom

Class D - properties which are not the owner’s main home, but which are the main home of someone whom the owner employs in domestic service

Class E - properties lived in by ministers of religion

Class F - properties provided to an asylum seeker under Section 95 of Immigration & Asylum Act 1999.

Reductions for disabled people

We can reduce your Council Tax bill if a disabled person lives in your property and the property has at least one of the following:

- A room that is mainly used by the disabled person and is essential for their needs and is not a bathroom, kitchen or toilet
