

Charges for Property Searches 2024/25

In accordance with Regulation 9(1) of the Local Authorities (England)(Charges for Property Searches) Regulation 2008 the following statement is published.

Estimated costs for 2024/25 are £117,451.

Estimated number of searches in respect of Local Authority access for responding to CON29 enquiries is 3163.

These estimates are based on figures for the previous years and the current state of the economic climate. These figures have also been used for budget purposes within the authority.

Unit charge for Local Authority compiled responses is £108.00. Included in this figure is the West Sussex County Council fee of £32.40 for the supply of highways information.

Please note: These charges may be subject to change mid-year according to changing market conditions and working practices.

Approved by

A handwritten signature in black ink, appearing to read 'Rachel Jarvis', is positioned below the 'Approved by' text.

Rachel Jarvis, Assistant Director of Corporate Resources being the responsible person under Section 151 of the Local Government Act 1972.
