Objectives

Licensing Objectives

Describe the steps you intend to take to promote the four licensing objectives

Please list here steps you will take to promote all four licensing objectives together

1. All staff members engaged, or to be engaged, in selling alcohol on the premises shall receive full training pertinent to the Licensing Act, specifically in regard age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs. Induction training must be completed prior to engaging in any sale of alcohol. Refresher training shall be conducted thereafter at intervals of no more than three months. All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be made immediately available upon request to officers of a Responsible Authority.

2. A refusals/incident record must be kept at the premises which details all refusals to sell alcohol and incidents of crime and disorder. These records must include the date and time of the incident, a description of the customer, the name of the staff member who refused the sale and the reason the sale was refused. All entries must be made within 24 hours of the refusal. The DPS must review and sign the record at intervals of no more than eight weeks. The record must be made immediately available upon request to officers of a Responsible Authority.

3. A documented risk assessment must be undertaken which identifies all the activities undertaken at the premises and the controls necessary to promote the licensing objectives. This will include but not be restricted to; deployment of SIA trained and licensed door supervisors the use of non-glass vessels both externally and internally, age restriction so as to protect children from harm, ticketing the event. It will include written emendations demonstrating what considerations have been made for any additional special events which may arise during the year. This document shall be immediately available for inspection by the Police and the Licensing Authority, upon request.

4. The premises will adopt a 'Challenge 25' policy whereby any person attempting to buy alcohol who appears to be under 25 will be asked for photographic ID as proof of their age. The only ID that will be accepted are valid passports and UK driving licences with a photograph or proof of age cards bearing the 'PASS' mark hologram. The list of approved ID may be amended or revised with the prior written agreement of Sussex Police and the Licensing Authority without the need to amend the actual licence. Signage advertising the "Challenge" policy will be displayed in prominent locations in the premises and shall include the point of sale and the area where the alcohol is displayed, as a minimum.

5. A written and maintained policy statement of all lost and found children will be kept to include actions taken by staff.

Register to be made available to Sussex Police and/or authorised officers from the local Licensing Authority.

6. The noise management plan must be submitted annually to the Environmental Protection Team at Mid Sussex District Council and must be approved by them before any of the live or recorded music can take place. The noise management plan shall be submitted by the 1st March each year. No regulated entertainment will take place until the noise management plan has been approved by the Council in writing.

7. Any additional external lighting installed for events shall be erected so as not to cause nuisance to residential properties.

8. No clean-up of external sites and marquees shall take place between 0000 and 0700.

9. All staff must be made aware of proxy sales and be vigilant to adults purchasing and providing alcohol to children.

The prevention of crime and disorder	CCTV will be active within the entrance and exit of the site and around any bars selling alcohol.
