Subject: MSDC Policy + NHS meeting Actions
Attachments: Mid Sussex Housing Trajectory for NHS Sept 22.xlsx

Categories: AP

Afternoon Simon and Rachael,

Thank you for our meeting yesterday, it was useful to catch up. Please see below the list of actions noted:

- MSDC to provide a trajectory of committed and planned housing à *see attached*
- SCB to send MSDC Excel document
- AM to speak to Sally B re vacant sites at Burgess Hill
- AM to speak to DM re Copthorne
- SCB to do a draft request to Liz re drawing down funding
- AM to speak to EB re map of sites and location of GP surgeries
- SCB to send MSDC the lists for each GP surgery
- NS to send invite for next meeting à *invite circulated for 8 December, 10am*

Please also find attached a working housing trajectory, updated to include the district plan review proposed housing allocations (these are prefixed with 'DPH' in column B). The sites with the prefix 'SA' are the housing allocations in the now adopted Site Allocations DPD; these were included in the excel document you shared on screen. It also includes all other residential planning permissions as at 1 April 2021. The document should allow you filter by settlement if that's helpful.

We hope to send you the map of the housing sites and GP surgeries next week.

Many thanks,

Natalie
